Spring is on the way, say goodbye to winter, snow and cold. It is time to put the snowblowers away and get the lawn equipment ready. Get your prairie dog rifles and ammo ready. Take your boat and trailer out of storage and don't forget to renew you licenses— boat, fishing and hunting.

The Aberdeen and Sioux Falls Trophy Shows were very well attended. There were vendors and collectors from many states. The weather was cold, but the public came out to the shows. Maybe they needed a warm spot inside. Ammo buying was the main product being bought, although gun sales were really great too

2021 has brought some changes to the DTGCA. Vicki has retired as Executive Secretary and Amanda Robinson has taken her place. Amanda is doing a very good job, she was taught well by Vicki. Rob and Rose Moore are retiring as show managers for Mitchell and both Sioux Falls Shows. Happy Retirement to all of the retirees.

Spring is a great time to visit our west river parks, Teddy Roosevelt National in N.D., Badlands National, Black Hills National Forest, Custer State Park and many more in S.D. Get out and see the newborn and adult wildlife.

Hope to see you at the remaining Spring gun shows, have a happy and safe summer.

President DTGCA Daethal Dockter

## 1961-2021 60TH ANNIVERSARY OF THE DAKOTA TERRITORY GUN COLLECTORS ASSOCIATION

2021 is the 60th anniversary of the DTGCA. 60 years of promoting the By-Laws Purpose and Use created by the original organizers of the association.

### **PURPOSE**

**Section 1.** *The purpose for which this corporation is formed is **TO** disseminate information to its members, and to the general public in regard to the construction, use, care, exchange, collection, exhibition and history of guns as designated in Article VIII-Acceptable Arms & Accessories. **TO** actively promote the 2nd amendment of the Constitution of the United States. **TO** acquire, maintain and possess the necessary facilities for such purposes.*

Amidst this time of confusion, your association knows where it stands on promoting the Purpose and Use in the fire-arm industry. An organization of collectors diversifying the shows for more success with vendors from all gun related areas in the field. The support from membership and the communities the shows are held in make for a strong organization.

**If you have any stories from the earlier years in the association please send them in for publishing in the newsletter. New and old members alike would love to read and include pictures if you can to go along with the story.**

To help celebrate the 60th Anniversary a new design of caps is available for sale for \$10.00 each. These can be purchased at any show or if you would like one mailed send \$4.00 plus the cost of the cap to
