Winter Edition

January, 2023

I hope every one of you had a great Christmas, and that we all can have a great New Year.

We must all must pay attention to what is going on with the anti gun groups! They are set on disrupting the 2nd Amendment, that will land to the loss of the 1st Amendment and then that will lead to the loss of our Freedom.

Every voice that is heard from everyone makes a difference, let your voice be heard!

We must pass the 1st and 2nd Amendments on to our children and there children. We need to America Free!

We need to be very careful at our gun show, the fake mass media would love to get a hold of any problems at our shows.

Be Safe, Follow all gun laws and Have a great year!

President DTGCA William Braun
