Summer Edition

July, 2023

The only thing that keeps a unfast government at bay is our 2nd Amendment, our right to keep and bear arms. We must all do our at most to pass the 2nd Amendment on to our children and our grand children.

Talk with friends and neighbors who have been swayed by the socialist media into thinking that guns are the problem, the mindset of people is the problem! We all need to form a close

group to protect our 2 amendment!! If the gun controller manage to ban guns your gun collection is worth nothing!! Some of us are getting a little older!! Be sure you have a list of some type or a will with instructions as to whom you would like to have a gun or your whole collection, put it down in black and white, and have it notarized and witnessed.

Summer has been great, I have added several guns to my collection and several packages of walleyes to my freezer. Everyone have a great Summer.

President DTGCA William Braun
