

Exhibitors

All guns must be tied before the 9 AM opening to the public on Saturday morning and remain tied until closing on Sunday at 3 PM. The needed ties are available at the front desk. Having all guns tied is mandatory.

The rules are simple: **TIE THEM**

COVER THEM

OR PACK THEM

There will be no refunds on failure to follow the rules on the safety tying of all guns. This is for the safety of everyone.

We will be using **RED Shipping Tags** to identify the guns that have been checked and tied coming into the show by the public.

Also, we will be using **GREEN Shipping Tags** for guns going out, these are marked ok to release the other information is to be filled out on individual preference. These tags can be picked up at the front desk with some shorter ladder ties to fasten them to the gun.

Please when unloading and loading be patient as we all have to work together. Also please do not load the carts over width as this blocks the aisles so others cannot pass if needed.

There will be staff stationed at the north doors to direct traffic. After 9 AM Saturday the big doors on the north side will remain closed till 3 PM Sunday.

I have made arrangements to have some people man the front doors, they will be marked for our use. The second set will be propped open. If you choose to come through the big glass, use the ones designated. The ones designated are at Gate 1, Gate 2 and Gate 3. Gate 4 is not to be used for unloading or loading.

The concession stands are still credit or debit card only.

There will be a drawing for some cash prizes on Sunday at 2:45 PM, you must still be set up to be eligible. **The tickets are in your packet.**

Have a good, fun and profitable Show
